ADMINISTRATION
Ms. Ellen Parker
Methuen High School Principal

During your first year as principal of Methuen High, you faced many challenges with outstanding leadership and dignity. We, the "Class of Nineteen-hundred and Ninety-nine," chose to follow your example and live true to the name, "the Class with class." We would like to sincerely thank you for the outstanding year that you have been such a part of. You have proven yourself a prominent leader in the school system and community. We wish you the best of luck in your future endeavors as the principal of Methuen High School.

Sincerely,

The Class of 1999

ADMINISTRATION

Mr. A. Steven Francis, Assistant Principal

Mr. Francis, every year we rant and rave about you. Why? Plain and simple, you are one of the best. You have a wonderful personality that shines through to everyone you meet. We have never met a more devoted member of the Methuen High School Administration. Compassionate and supportive are just two words that only begin to describe the individual we all know and love. Whether one needs advice or just wants to talk, you are always there. There isn't enough time and space to point out all the great things you have done for us. We, the "Class of 1999" and the yearbook staff would like to thank you for everything you have done for us; we appreciate it to the highest degree.

Ms. Jane Obshatkin, Vice Principal

The first year you arrived at Methuen High, you immediately made an impact on our student lives. We respected you and you respected us. You are caring and professional, qualities necessary to be a great educator and administrator. We, the "Class of 1999" thank you for your dedication and service.

Ms. Suzanne Kelly, Assistant Principal

Though this was only your second year with us at Methuen High School, you have already gained the respect of the faculty as well as the students. You have created a strong and personable relationship with the students here, and we, the "Class of 1999" wish you the best of luck in all of your endeavors.

DEDICATION

One never knows when or where you
might come across an angel.
For all you know, the next person you meet
may be an angel in disguise.

We were fortunate to have three
such angels among us:

Melissa Kern

Vicky L'Italien

Kristen Santoro

..."These young ladies exuded warmth and kindness. They had the uncanny ability of turning negatives into positives; bad to good."

See pages 42, 43 and 44 for colored pictures of our three angels ,

Yearbook Staff

Dear Class of 1999,
My staff consisted of 5 individuals who devoted much of their time and energy into producing this book. Together, we worked many a Friday night and weekend to create a book that was not just another yearbook. We wanted this book to have special meaning to you, one that would be treasured throughout your life.

Sincerely,
Nick Collopy

Melissa Kern

Melissa defined the notion of a best friend. She was there any time anyone needed her, always willing to share a tear or a laugh. She is sadly missed by all who had the good fortune of knowing her.

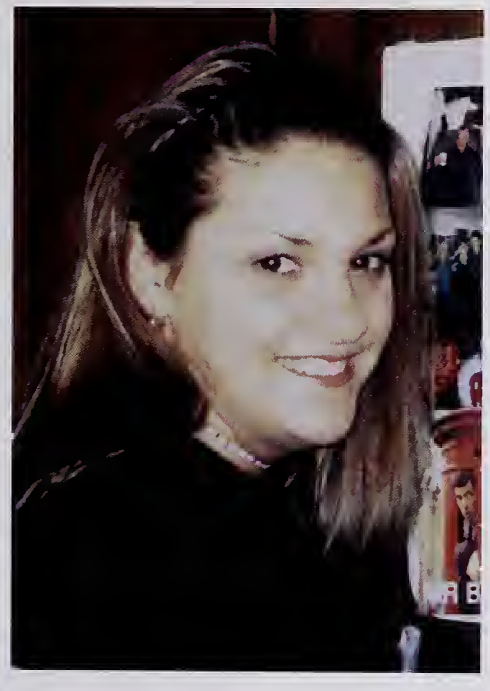
A pretty smile on a pretty face
No one else will ever take your place.
Your hair so blonde and your eyes so blue
this is how we'll remember you.
Someday God may tell us why
He broke our hearts and let you die
There are others, yes we know
But you were our friend
and we loved you so.

Vicky L´Italien

Vicki was a bright light in art class and everywhere else. She brought warmth, vitality, exuberance, and a unique attitude that was contagious. She was always upbeat and her infectious smile brightened the classroom on the cloudiest of days. We are all fortunate that Vicki entered our lives and feel a greater love because of her.

…"Truly angels, they were sent to Earth to make each one of us see that there is good everywhere and in everyone; we just might have to look a little harder or deeper than we normally do to find it."

…"When I heard the song playing in the background, "I Am Your Angel," I thought it was a message from above. When you hear it, think of our angels."



Kristen Santoro

If ever there was a smile that could brighten a room, laughter that could pull you out of the gloomiest of moods and a mind like a steel trap, they belonged to Kristen. Although Kristen was not with us for long, her impact on this school community has been immeasurable. Kristen was the "comeback kid," someone who not only recognized her mistakes and faults, but worked diligently to correct them. There are not many people in this world big enough to do either one of those things, much less both.

..."We all have angels guiding us...they look after us, heal us, touch us, comfort us with invisible warm hands. I believe that they are watching over us and guiding us along the way. Their spirit has brought us closer together in what many have described as a state of unconditional love."

Varsity Football

The 98 Rangers prevailed with one of the best seasons coach Larry Klimas has seen in a while. Methuen, who ended up with an 8-3 record, started out from the blocks with a bang, knocking off five straight teams that included Saugus, Danvers, Chelmsford, Billerica, and Tewksbury. With a 5-0 record, the Rangers faced-off against rival, unbeaten Andover. The Blue took one on the chin and fell 27-8. Within the next four games, the Rangers went .500 going 2-2. Losses to Central Catholic and Lowell knocked them out of Super Bowl hopes. However, Thanksgiving Day proved special to the home crowd of 1800 fans when the Rangers romped their long-time rival Dracut 34-6. This game meant a lot to the senior players who dedicated this game to the 4 girls who died tragically in car accidents. This season, which will remain in the seniors' hearts forever, will also be a constant memory to all. The team and student body at Methuen High helped each other cope with the loss of their Four "Angels".

The Indoor track team had an exceptional 98-99 season. They finished the season with a 6-0-1 record, remaining the only undefeated team in the MVC this season. Girls' Basketball

The 1999 Girl's Basketball team had one of their greatest seasons ever, by refusing defeat. Led by their captains, Lisa Golobski and Hilary Glynn, they prevailed on by winning the Christmas Tournament vs. archrival, Andover then the Division 1 North Finals vs. Haverhill 59-46. At this pace the Lady Rangers were unstoppable, as they continued their victory as Eastern Mass. Champs, defeating Attleboro 56-48, and finally Division 1 State Champions defeating Shrewsbury 50-43. This was an extremely emotional time for all the players, especially because they had lost four friends in a car accident this past fall. The girls were determined to bring MHS' spirit up, and by winning the state title they not only brought spirits up, they brought the town of Methuen its Second State Championship.
